Hi, Erik. Alan Walts (Director, TMMPO) and Ronna Beckman (External Communications Office) should be added to the FOIA on Centreville, IL.

Hi Erik:

The first one with the "sewage and xxxx" should go to permits and WECAB (enforcement in ECAD).

The second one should be GWDWB, permits (there was a control in July from the Illinois Senators on Centreville that permits had the lead for) and WECAB.

Tom

**Subject:** Assistance needed on 2 new FOIAs

Good Morning Tom. This seems to be the Year of FOIAs so far.

We just received the 2 FOIAs below and I need assistance on assignment of branches and any additional Divisions. If other Divisions are involved, this will be a Multimedia FOIA and the R5 FOIA team will be involved with the searching.

I do see on one of the FOIAs that 'drinking water' is a search term so I assume GWDW will be involved but I am not familiar with Centerville. In addition, if both FOIAs are to assigned the same, I can request them to be combined if that would make it easier.

Thank you for any assistance, since this seems to be a complicated request.
